

ALEX VALLE

I'm a freelance **web developer, illustrator and media producer.**
My *goal* is to make the Internet better, one website at a time.

My web related skills include working knowledge of CSS3/HTML5 and PHP. Works with Content Management Systems such as Drupal, Wordpress and Joomla as well as with Online Shopping carts like Zen Cart and osCommerce.

PROFESSIONAL EXPERIENCE

Freelance Web Developer 2007 - PRESENT

Created dozens of websites focusing on unique design and trending concepts. Websites include online shopping stores, corporate and personal websites.

GNATV.com Co-creator 2007 - PRESENT

Together with my best friends, we created GNATV, an award winning Internet TV show about local food in Tampa Bay, Florida.

4WheelOnline Art Director 2010 - 2011

Team leader of a remote satellite graphic designer group. Created marketing campaigns for the ATV division.

GonsEnglish Co-creator 2011 - Present

Developed the entire online presence of a new online English school, delivering content through high definition video/audio media.
